New to the Social Media Evolution? Internet Marketing Package

1. Blog set-up: up to 2 Blog accounts (Word Press , Blogger, others)
2. Social Media Networking Site set-up: up to 3 (LinkedIn, Plaxo, Facebook, Ning, others of your choice)
3. E-newsletter Marketing account set-up, design template and header, initial database upload: 1 account - Constant Contact or iContact (other applications will be taken into consideration). If we have to learn another platform there will be an additional \$27.50 per hour fee.
4. **Limited Time Special Pricing: \$125 (regularly \$175)**

Are you falling behind? Internet Marketing Maintenance Package

1. Update Blog articles (provided/written by client) once a week
2. Update Social Media Networking Sites once a week (client must be somewhat interactive with these sites as there will be certain issues where the client needs to handle. ie: questions from other site members, Facebook and Twitter updates, etc.)
3. Monthly newsletter: Content provided/written by client. Eydie's Office will proof, place in template, find appropriate images and arrange the content to fit template. Eydie's Office will keep database up to date with names and addresses provided by client. Additional e-blasts can be added to package for an additional investment. Restrictions apply: length of email, image search, etc.
4. **Limited Time Special Pricing: \$125 Monthly Investment (regularly \$175 per month)**

Any or all of the above can be customized to meet your needs. Restrictions may apply.

Eydie's Office will not take responsibility for Blogs /Social Media Networking sites / or E-mail Marketing applications should they go off line, or other issues.

Eydie's Office will keep all your log-in information, and other sensitive materials, safe and will not be shared with others. Your database will not be sold or shared.

The above special pricing expire: February 28, 2009

Some restrictions may apply. If you already have a number of sites, blogs, etc. up and running, we may place you on an hourly basis for three months and then average out the time so we can place you on a regular monthly rate.
